Banani	Home Office	9 mo	Tanvir Rahman

OVERVIEW

Open-plan workstations, glass meeting pods and a welcoming reception lounge balance energy and focus.

THE CHALLENGE

Two disconnected floors needed to feel like one cohesive workplace.

OUR SOLUTION

An internal feature stair and a unified material language stitch the floors together.

THE RESULT

A vibrant, acoustically comfortable workplace with collaborative and focus zones.

MATERIALS & FINISHES

Microcement floors, acoustic felt panels, glass partitions, brand-accent joinery.
