OVERVIEW

Shared living, private suites and a green rooftop bring three generations together under one elegant roof.

THE CHALLENGE

Balancing privacy for three generations within a single plot.

OUR SOLUTION

We stacked private suites over shared ground-floor living, crowned by a landscaped rooftop.

THE RESULT

A warm, light-filled villa where the whole family gathers yet everyone has their own retreat.

MATERIALS & FINISHES

Travertine, teak joinery, landscaped rooftop deck, smart lighting throughout.
