

Verdant Courtyard House

Landscape · Architecture · Ongoing
South Khulshi, Chattogram

TYPE Landscape	STYLE Rustic	AREA (sqft) 4,000	YEAR —
LOCATION Khulshi	ROOM Outdoor	DURATION 12 mo	DESIGNER Sabbir Ahmed

OVERVIEW

A planted central courtyard brings light, air and greenery into the heart of this rustic home.

THE CHALLENGE

Maximising greenery and daylight on a compact urban plot.

OUR SOLUTION

A central planted courtyard organises the plan and draws light and air into every room.

THE RESULT

Currently in execution — a calm, biophilic home wrapped around a green heart.

MATERIALS & FINISHES

Exposed brick, reclaimed timber, local stone, planted courtyard and green walls.
